

# Sarvajanik College of Law – Entrance Test Syllabus

## Course Overview

The Law Entrance Test Course is designed to assess the aptitude, analytical ability, and foundational knowledge of candidates seeking admission to the undergraduate law program at Sarvajanik College of Law, Sarvajanik University. The course integrates interdisciplinary areas such as language proficiency, general awareness, legal reasoning, logical analysis, and quantitative aptitude.

The syllabus is aligned with national-level law entrance examinations such as CLAT and other university-level tests, ensuring that candidates are evaluated on both conceptual understanding and application-based skills. Emphasis is placed on developing critical thinking, comprehension ability, and awareness of contemporary legal and socio-political developments.

The course aims to prepare students not only for the entrance examination but also to build a strong intellectual foundation necessary for legal education. It encourages students to engage with legal principles, interpret factual situations, and apply reasoning in a structured and logical manner.

## Course Outcomes

**CO1:** Apply rules of English grammar and vocabulary to interpret, analyze, and comprehend unseen passages effectively.

**CO2:** Identify and explain key national and international developments, and apply general knowledge to solve objective-based questions.

**CO3:** Apply basic legal principles to analyze factual situations and evaluate logically correct legal outcomes.

**CO4:** Analyze and solve problems involving logical reasoning and quantitative aptitude using appropriate methods and techniques.
